DESIGNER SERIES DIRECT VENT GAS FIREPLACES

MODEL 360DVS3

Majestic Designer Series Direct Vent Gas Fireplaces portray unrivaled beauty and dimension. Ideal for full size homes or spacious rooms where homeowners can truly enjoy the warmth and beauty of a Majestic Cove, See-Through or Corner fireplace.

All Majestic Designer series fireplaces shown here include the following standard features:

- Patented Insta-Flame Ceramic Burner System for durability and unsurpassed realism
- Expanded fire box size
- Two to three sides of tempered glass window
- Ceramic fiber refractory brick lining
- Attractive, 8 piece realistic ceramic fiber log sets
- Authentic log grate
- Lava Rock
- Design certified by the American Gas Association and Canadian Gas Association
- Approved as a vented gas fireplace heater
- Upper & lower polished brass window trim
- Limited lifetime warranty assures quality and dependability

Majestic Designer Series Direct Vent Gas Fireplaces feature unique venting capabilities:

- Reversible top/rear venting makes for easy, go-anywhere installation
- Can be vented up to 20 feet through a side wall, vertically through the roof up to 40 feet and below grade levels with a snorkel kit (basements)

Warmth & Elegance

**Models 360DVSL/R**

Majestic gas fireplace model 360DVSL/R is specially designed for left or right corners. Through the angle, it depicts a spectacular view of flames. Perfect for a study or master bedroom, this model is sure to attract attention. Polished brass accents are standard.

**Model 360DVS2**

Two rooms, one fireplace - it's that simple. The Majestic 360DVS2 See-Through gas fireplace can be conveniently installed in between two adjacent rooms, so that you can take pleasure from the view of flickering flames on both sides.

**Optional Trim Styles:**

- Medium polished or antique brass and pewter trim (3 3/4" wide).
- Beautifully crafted cast iron bay window, surround and mantel shelf - in 3 colors: Classic Black, Midnight Black Enamel and Moonlight Blue.
- Bar louvres and hood face kit (all black).
- Brilliance glass door kit.
- Steel bay window kit.
- Gold Plated or Black screen door kit and louvres

**Model 360DVS3**

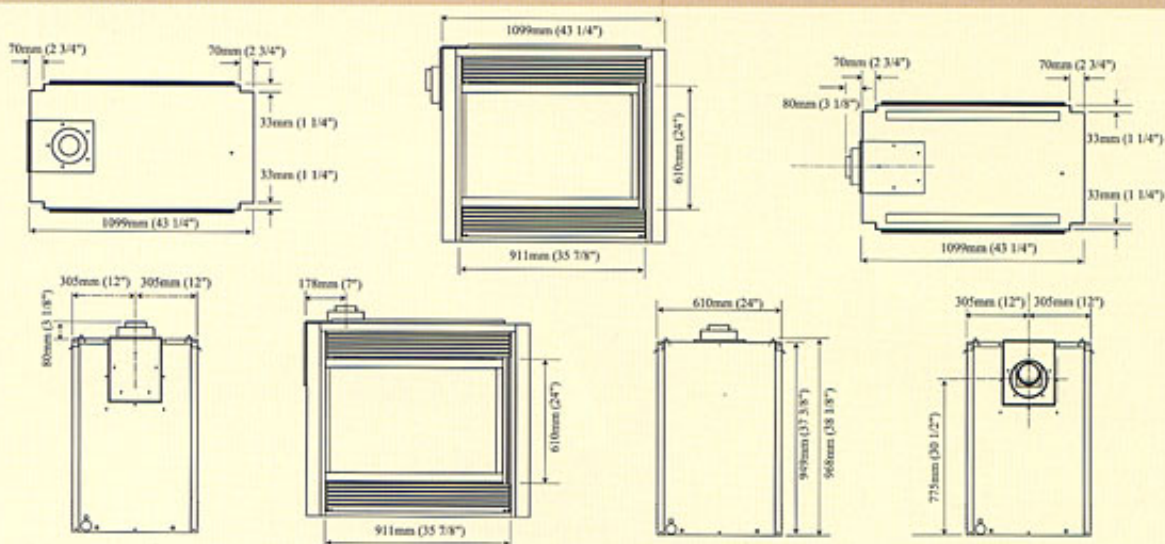

The Majestic 360DVS3 Cove gas fireplace features three sides of glass from which to feel the warmth and admire the flames. Great as a room divider, bar or entertainment centre, this model is the ultimate in elegance in any decor - traditional or modern. Polished brass accents are standard. Pewter accents are optional.
